 [/in/dennis-krikke/](#)    [denniskrikke77@gmail.com](mailto:denniskrikke77@gmail.com)   <https://denniskrikke.nl>

Digital designer with a passion for web design and user experience. I work with pixel-perfect precision, and I prioritize user experience in my designs. Through previous projects, I have gained expertise in designing and developing complex internal platforms for companies such as Elphas, Alledaags, Digitale Academie NN, Arcadis and Basicly. Others have described me as independent, professional, open-minded, creative, and enthusiastic.

## Experience

### Self Employed

Freelance Designer | Apr. 2022 – Current

### Alledaags Groningen

- Junior UX/UI Designer | Jan. 2021 – May. 2022
  - Responsible for a majority of custom design solutions
